

Take Control

Fuji Xerox Page Pack managed print solution provides custom solutions to suit your specific business needs, without having to worry about additional maintenance prices or the cost of consumables. Page Pack is ideal for businesses who want a flexible, all inclusive consumables and service program for printing.

- Cut costs on printing, consumables and service.
- Free up IT resources for more business-critical tasks rather than installing, supporting and maintaining output devices.
- Control and forecast budgets accurately by setting your printing and supply costs up-front.
- Customise: No matter what networked printers you have, we have the solution for you.
